

# FAMILY CONSTELLATION EVENING

We have an embodied knowing within that is free to each of us, even though in our day-to-day lives we may be unaware of this resource. Family is at the heart of the matter.

Lisa's 19 years of experience with family systems constellations has developed a mastery that makes these evenings very special.

ENTRY - STUDIO A - 5560 McKinnon St  
Green Thumb Theatre Rehearsal Space

WITH **LISA IVERSEN** MSW, LCSW
